What is Kiwanis?

Kiwanis is a worldwide service organization of individuals who want to improve their communities. As a group, they can achieve what they cannot do alone.

These men and women attend Kiwanis Club meetings for fellowship and inspiration. They perform voluntary community service through committees. Kiwanis is not a social club, nor a secret or political society. It does not prescribe a way of life for others. It often does, however, act as a forum for diverse ideas.

What does Kiwanis do?

It performs service beyond the capability of the individual. We assist the aging, the needy, and the youth of our communities.

Who can join?

Individuals of good standing in the community – invited by the Kiwanis Club itself. The cost is low, considering the tremendous satisfaction Kiwanis membership provides.
